Brokenhurst Manor Golf Club Academy Scheme

Golf can be learnt and enjoyed by both sexes and all ages. It keeps you fit, gets you out in the fresh air and provides a stimulating mental challenge.

This scheme offers an introduction, or return, to the game at a friendly club with excellent facilities. It allows you to meet members of a similar standard and encourages group playing to build confidence. The aim is to obtain a playing handicap within six months, allowing you to progress to a full member at a reduced rate for the first year by November.

In the summer, our extensive patio area provides parasoled seating, where you can take it easy in the fresh air overlooking the beautiful course. Combine this with the fine dining restaurant and you are provided with a social retreat offering all levels of catering requirements.
